

All,

A number of things you may want to know

Diving Tomorrow at the Bluey, let me know if you can come 6.30pm, be on time or locked out

River Rinse Sunday 16th, meet at Budgens car park 10.15. We will be working from the Stratford road Bridge (by my house) back into town. We may have some refreshment afterwards

We are having a working party night at the shed Thursday 13th in preparation for the try dive season. We need to ensure all the kit is correctly marked and in full working order. All help gratefully appreciated.

Stoney Cove on 18th September, plenty of opportunity for navigation practice

Saturday 22nd September Nitrox courses at my house. Ocean diver 09.00 Sport diver and above 11.00, see you there

Just in time for our Egypt trip we will be going to Dive 2007 13 October at the NEC in Birmingham, the show will be packed full of the very latest dive kit, clothing, boats, holidays, training options and much, much more.

The speaker programme also boasts some of the world's foremost underwater experts including Fabien Cousteau and Mike deGruy plus world-record freediver Herbert Nitsch, TV presenter Monty Halls and explorers Martyn Farr, Innes McCartney, Leigh Bishop and Rick Stanton. Let me know if you need tickets as I believe they are cheaper in advance

Kind regards

Roger Bray
